Probable Cause

On March 3, 2026, at approximately 8:47 a.m., I was conducting stationary traffic enforcement at the intersection of State Road 100 and Water Oak Road in Flagler County, Florida. I was in my fully marked Florida Highway Patrol patrol vehicle (FHP 0619, mileage 233,278), clearly displaying agency insignia.

While monitoring eastbound and westbound traffic on State Road 100, I observed a black Lincoln SUV traveling westbound at a high rate of speed, passing traffic within the eastbound lane. The roadway markings at that location consist of a solid yellow line for westbound traffic and a broken yellow line for eastbound traffic, indicating a no-passing zone for westbound vehicles. I observed the SUV pass other traffic in the no-passing zone and estimated its speed to be approximately 80 miles per hour. I activated my rear radar unit, which confirmed the vehicle's speed at 84 miles per hour in a posted 60 mile per hour zone.

I entered State Road 100 to conduct a traffic stop on the vehicle (Florida tag KQNR14) for speeding and passing in a no-passing zone. I activated my emergency lights, and the SUV pulled onto the right shoulder. As I exited my patrol vehicle and began my approach to the SUV, the driver placed the SUV in drive and fled the stop.

I returned to my patrol vehicle and initiated a pursuit westbound on State Road 100. I advised the Jacksonville Regional Communications Center that I was currently in pursuit. The driver, later identified as Xavier L. Bean, accelerated to speeds exceeding 120 miles per hour in the 60 mile per hour zone. During the pursuit, Bean drove with a willful and wanton disregard for the safety of persons and property. He passed vehicles with oncoming traffic approaching and drove around a pickup truck towing a trailer by using the right grassy shoulder before re-entering the roadway.

The pursuit continued into Putnam County. As we approached a fully loaded logging semi-truck traveling westbound, Bean attempted to pass the semi at approximately 85 miles per hour. At the same time, a dump truck was traveling eastbound. To avoid a head-on collision with the dump truck, Bean drove off the roadway to the left into the grass. While attempting to re-enter the roadway, he lost control and the right front of the SUV collided with the left side of the semi-truck, causing extensive damage to the semi (see crash report). Despite the collision, Bean continued westbound on State Road 100 at speeds over 120 miles per hour. Eastbound motorists were forced to swerve off the roadway to avoid colliding with the SUV.

State Road 100 ends at U.S. Highway 17. The pursuit continued northbound on U.S. Highway 17. Bean continued to operate the SUV recklessly by driving northbound in the southbound lanes, causing multiple motorists to take evasive action. The pursuit proceeded through the city of Palatka, where Bean again drove in the southbound lanes while traveling northbound, ran multiple red lights, and forced additional motorists to maneuver evasively to avoid collisions.

After passing the State Road 100 intersection on U.S. Highway 17, Bean once again traveled northbound in the southbound lanes and then pulled into the McKinnon Furniture parking lot as if he intended to stop. I entered the parking lot behind him to initiate a felony stop. At that time, Bean placed the SUV in reverse and intentionally backed into the right front of my patrol vehicle in an attempt to flee again. As he moved forward to exit the parking lot, I attempted a PIT maneuver to disable the vehicle; however, the maneuver was unsuccessful, and Bean re-entered U.S. Highway 17 traveling northbound, nearly colliding with several southbound vehicles.

The pursuit continued northbound toward Clay County, with speeds reaching approximately 135 miles per hour. Bean continued to demonstrate a willful and wanton disregard for safety of persons or property by running the red light at U.S. Highway 17 and West River Road, nearly striking a vehicle in the intersection and narrowly missing two motorcyclists.

Upon entering Clay County, Bean again drove northbound in the southbound lanes of U.S. Highway 17 and narrowly avoided a head-on collision with a Clay County School Bus. He then crossed the median back into the northbound lanes. During this time, the right front tire of the SUV began to shred. Bean continued driving at a high rate of speed on the exposed rim and crossed back into the southbound lanes before returning to the northbound lanes as the vehicle began to slow.

With the SUV's speed reduced to approximately 55 miles per hour, I executed a successful PIT maneuver. The SUV rotated to the right, left the roadway, and overturned, coming to final rest on its left side on the right grassy shoulder of U.S. Highway 17.

I exited my patrol vehicle and gave verbal commands for Bean to exit the SUV. Due to the vehicle's position, I used my agency-issued window punch to break out the sunroof. During this action, I sustained a laceration to my right index finger, causing significant bleeding.

Bean exited the vehicle under his own power. I placed him in handcuffs without further resistance and secured him in the back seat of my patrol vehicle while awaiting EMS to arrive.

Upon identifying the driver as Xavier Lee Bean, it revealed Bean's driver license had been revoked since 2005 for Fleeing and Eluding. He has prior arrests for Fleeing and Eluding in 2005 and 2015.

Bean was transported by ambulance to Orange Park Medical Center, where he received medical treatment and was later released.

I transported Bean to the Flagler County Jail, where he was turned over to jail personnel without further incident.

DURING MY INTERACTION WITH XAVIER LEE BEAN, I RECEIVED SIGNIFICANT EXPOSURE TO BODILY FLUIDS (BLOOD) FROM XAVIER.

Xavier cut himself on his hands in an attempt to exit the vehicle on his own. He was punching the windshield and trying to stick his fingers through the broken glass.
